The SAGE Clinical Medicine Package provides access to more than 249,000 articles across 213 journals, with topics ranging from basic sciences and clinical specialties in human and veterinary medicine, to nursing, public health, and health services. Electronic access to more than 104 peer-reviewed journal backfiles is also available for purchase, including access from 1998 back to volume 1, issue 1 where available.

**The Content:** International in scope ∙ Peer-reviewed ∙ High-quality, interdisciplinary journal content
- High impact – nearly 60% of SAGE’s journal content is ranked in the 2015 Journal Citation Reports (Thomson Reuters, 2016), including more than 55% within the top 2 quartiles of their subject category
- Scholarly and professional - research published in partnership with more than 350 key societies

**The Access:** Cutting edge ∙ Mobile delivery – Discoverable
- SAGE Journals is moving! As of December 2016, SAGE Journals will be hosted on its new online platform
- Mobile access – all journal sites available in a mobile-optimized format
- Discoverability – consistent journal indexing ensuring high visibility of content

**The Support:** Interactive ∙ Customer-focused
- Customer support – dedicated Account Representative Team to assist with inquiries, renewals of the SAGE products, and any questions specific to your institution account
- Usage driving – user guides, videos and live online training sessions highlighting the features and functionality, for librarians and end users
