The Royal Society of Medicine Collection

Top-ranked journals • Peer-reviewed • International scope • Respected, relevant, and authoritative

The Royal Society of Medicine (RSM) Journals Collection includes 28 journals (including 3 OA journals) and the Handbook of Practice Management. From primary research to clinical practice, the journals cover such topics as biochemistry, experimental medicine, medico-legal studies, obstetrics, radiology, and venous disease.

The flagship Journal of the Royal Society of Medicine (JRSM) is one of the most widely read general medical periodicals, providing insight into a broad spectrum of issues facing medical professionals.
