The Ultimate Social Sciences Digital Library

SAGE Knowledge is the ultimate social sciences digital library for students, researchers, and faculty. Hosting more than 4,400+ titles, it includes an expansive range of SAGE eBook and eReference content, including scholarly monographs, reference works, handbooks, series, and professional development titles, plus video, cases, and more.

The platform allows researchers to cross-search and seamlessly access a wide breadth of must-have SAGE content from one source.

SAGE Knowledge brings together high-quality content from across our imprints.

Benefits for users:

Your users will benefit from our easy-to-use interface developed in partnership with faculty, librarians, and students.

The Basics: Functionality includes full text HTML display, table of contents navigation, and the ability to easily change text size.

Related Content: Using semantic technology, *SAGE Knowledge* will suggest additional, relevant content in other books on the site and in SAGE's other products—*SAGE Journals*, *SAGE Research Methods*, *SAGE Video*, and *SAGE Business Cases*—providing the library has access.

Search and Browse: A variety of search options are available, including quick search, advanced search with Boolean functions, and search within the chapter / entry or within the title.

Personalized Research: Patrons can use the “My Account” feature to create reading lists and save searches.

Take It to Go: Chapter print and PDF download options, share features for e-mail and social media, and a mobile-friendly site are all available.

Cite in a Snap: Citation options include export to End Note, RefWorks and other citation manager software.

Benefits for librarians:

Discover!

Content is discoverable by major search engines at the title and chapter level to ensure students find SAGE content no matter where they start their search.

- MARC Records and COUNTER reports available
- DOIs registered for each title and chapter; deposited in CrossRef and displayed as permanent URLs
- No physical Digital Rights Management (DRM)
- Unlimited simultaneous usage of all SAGE eBooks
- Usage driving tools: Banner ads, search widgets, training videos, user guides, custom online training sessions highlighting features & functionality for both librarians and end-users

NEW IN 2015:

- A responsive site that will be visually enhanced on all mobile phones and tablets
- A unified platform with video and with links to related video content
- Improved discoverability
- A new more usable and modern design
