COACHING AND MENTORING FOR BUSINESS

Grace McCarthy University of Wollongong, New South Wales

I like this book because it is a smooth read with a good critical and questioning line throughout. There are some innovations, for example, two leadership chapters, a very interesting chapter on ethics and some well-constructed vignettes to ponder on. If you are interested in Coaching and Mentoring for Business, buy it now, you won’t be disappointed!

STUDYING LEADERSHIP
Traditional and Critical Approaches

Doris Schedlitzki and Gareth Edwards both at University of the West of England

A distinctive book written in an eloquent style and manner that captures the readers’ imagination of the past, present and future perception of leadership. It highlights and draws together the main concepts covered in each chapter and provides a very good basis for understanding leadership. This book is readable, credible and avoids jargon. Thus, it helps both UG and PG students to conceptualize leadership at a higher level.
