American Educational Research Journal (AERJ) publishes original peer-reviewed analyses that span the field of education research across all subfields and disciplines and all levels of analysis. It also encourages submissions across all levels of education throughout the life span and all forms of learning. AERJ welcomes submissions of the highest quality, reflecting a wide range of perspectives, topics, contexts, and methods, including interdisciplinary and multidisciplinary work.

The American Educational Research Association (AERA), founded in 1916 and based in Washington, D.C., aims to advance knowledge about education, to encourage scholarly inquiry related to education, and to promote the use of research to improve education and serve the public good. As the national interdisciplinary research society in education, AERA is dedicated to strengthening education research capacity by promoting research of the highest quality, undertaking education and training programs, and advancing sound research and science policy.

**REQUIREMENTS FOR ELECTRONIC DELIVERY**

**General Instructions**

A High Resolution Press-Ready PDF is required for all electronic ad submissions. All fonts must be embedded. Minimum required image resolution is **300 dpi** for color or grayscale images and **900-1200 dpi** for line art (1-bit) images. All color files must be created and submitted to publisher in CMYK color mode. Publisher will convert ads submitted in RGB but is not responsible for color reproduction on these ads. 2-color ads (standard) must be provided as black plus 100% cyan, magenta, or yellow.

**Image Size/Crop**

Digital art files should be cropped to remove non-printing borders. Art should be created or scaled to the size intended for print. Image orientation should be the same as intended for print. For ads that are intended to run off the page, a 1/8” minimum bleed is required on all sides.

**Proof Instructions**

**Color Ads** An identifiable **SWOP-certified proof** (Specifications Web Offset Publications—www.swop.org) must be supplied with the final digital file. If a SWOP-certified proof is not supplied, then the publisher cannot guarantee correct reproduction of color. Any omissions or color deviation from a submitted proof, other than a SWOP-compliant proof, will not warrant compensation to the advertiser.

**B&W Ads** A hard-copy proof the same size as the digital art must be supplied with the final digital file.

**File Submission Instructions**

Please supply files on one of the following media: CD-ROM or e-mail. If e-mailing artwork, then send the proof in a separate package in the mail.
