PART I. AN INTRODUCTION TO INTERACTIVE EVALUATION PRACTICE 1

1. Introducing Interactive Evaluation Practice 2
   Chapter Preview 2
   Introduction 2
   Why It Pays to Pay Attention to Interpersonal Dynamics in Program Evaluation 3
   The Personal and Interpersonal Factors 5
   Evaluation Metaphysics 15
   Three Roles of the Evaluator in Interactive Evaluation Practice 17
   Evaluator as Decision Maker 18
   Evaluator as Actor 18
   Evaluator as Reflective Practitioner 19
   Chapter Review 20

2. Framing Interactive Evaluation Practice 21
   Chapter Preview 21
   Introduction 21
   A Primer on Seven Basic Inquiry Tasks 22
   The Interpersonal Participation Quotient 26
   Evaluator-Directed Studies 28
   Collaborative Studies 29
   Participant-Directed Studies 32
   The Evaluation Capacity Building Framework 35
Applying the Frameworks to Evaluation Practice 39
   Scenario 1: Accreditation for a Health Clinic 39
   Scenario 2: Customer Satisfaction in the Hospitality Industry 40
   Scenario 3: Organization Development in an Educational Institution 41
Chapter Review 42

3. Theoretical Foundations for Interactive Evaluation Practice 44
   Chapter Preview 44
   Introduction 44
   Where’s the Theory? 45
      Factors Impeding Research on Evaluation Practice 46
   Theories to Use in Interactive Evaluation Practice 49
      Social Interdependence Theory 50
      Theoretical Conceptions of Evaluation Use 53
         Studying Evaluation Use 54
         What Research Says About Evaluation Use 57
   Theory-Based Principles for Interactive Evaluation Practice 60
Chapter Review 63

PART II. SKILLS AND STRATEGIES FOR INTERACTIVE EVALUATION PRACTICE 65

4. The Nuts and Bolts of Evaluation Conversations 66
   Chapter Preview 66
   Introduction 66
   The Role of Conversations in Evaluation Practice 67
   How Program Evaluation Conversations Differ From
      Other Conversations 70
         Context 71
         The Client/Primary Intended User 71
         Conversation Content 72
         The Evaluator 74
   Overarching Goals and Sample Questions for
      Evaluation Conversations 76
   Conversations and the Interactive Evaluation Practice Frameworks 90
   Applying Interactive Evaluation Practice Principles to
      Evaluation Conversations 93
Chapter Review 95
7. **Creating a Viable Interactive Evaluation Process** 195  
   Chapter Preview 195  
   Introduction 195  
   Planning a Viable Interactive Evaluation Process 197  
   **Context/Setting** 197  
   **Culture** 202  
   **Involvement** 207  
   - Establish Committees 208  
   - Populate Committees 209  
   - Analyze Attitude and Aptitude 212  
   **Logistics** 216  
   - Establish Consistent Expectations, Procedures, and Routines 217  
   - Focus on Meetings 217  
   - Create and Use Templates 218  
   - Organize Systems for Dealing With Documents 218  
   - Determine Who Will Manage Logistics 221  
   **Communication** 221  
   - Communication Within Evaluation Committees 222  
   - Communication Among Evaluation Committees 223  
   - Communication Beyond Evaluation Committees 223  
   - Electronic Communication 224  
   - Information Management 225  
   - Confidentiality 226  
   **Building Evaluation Capacity Through Interactive Processes** 227  
   **Organizational Context** 228  
   - ECB-Friendly Internal Organizational Context 229  
   - Support From the External Environment 229  
   **Resources** 229  
   - Access to Evaluation Resources 229  
   - Sources of Organizational Support for Evaluation 230  
   **ECB Structures** 230  
   - Long-Term Plan for ECB 230  
   - Infrastructure to Support the Evaluation Process 231
| Purposeful Socialization Into the Evaluation Process | 231 |
| Peer Learning Structures | 232 |
| Assessing Evaluation Processes to Enhance Viability | 232 |
| Applying Interactive Evaluation Practice Principles to Creating a Viable Interactive Evaluation Process | 236 |
| Chapter Review | 238 |

8. Dealing With the Unexpected in Program Evaluation: When Bad Things Happen to Good Evaluators

- Chapter Preview | 240 |
- Introduction | 240 |
- The Limits of Evaluation Practice | 242 |
- What Can Go Wrong During a Program Evaluation? | 245 |
  - *Environmental Issues* | 246 |
    - Environmental Scenario | 250 |
  - *Client/User Issues* | 251 |
    - Client/User Scenario | 259 |
  - *Evaluation Process/Results Issues* | 261 |
    - Evaluation Process/Results Scenario | 265 |
  - *Evaluator Issues* | 267 |
    - Evaluator Issues Scenario | 268 |
- What Can Interactive Evaluators Do When Bad Things Happen? | 269 |
  - *General Responses to Unexpected Issues* | 270 |
    - Environmental Issues | 270 |
    - Client/User Issues | 270 |
    - Evaluation Process/Results Issues | 271 |
    - Evaluator Issues | 271 |
- *Putting It All Together* | 271 |
- The Role of Internal Versus External Evaluators in Addressing the Unexpected | 275 |
  - *Internal Evaluators* | 275 |
  - *External Evaluators* | 276 |
- Thinking About Inevitable Trade-Offs in Evaluation Decision Making | 278 |
- Applying Interactive Evaluation Practice Principles to Dealing With the Unexpected in Program Evaluation | 281 |
- Chapter Review | 283 |
PART III. TEACHING CASES FOR BRINGING INTERACTIVE EVALUATION PRACTICE TO LIFE

9. The Evaluator Is in Charge: Evaluating a Controversial Shelter Project
   Chapter Preview
   Introduction
   The Evaluation Context
   The Cast of Characters as the Evaluation Began
   The Evaluation Process
      Initial Decisions/Actions
      Data Collection and Analysis Decisions/Actions
      Data Interpretation and Reporting Decisions/Actions
   Case Study TIPS: Think, Interact, Practice, Situate
   Chapter Review

10. We’re in This Together: Evaluating a Remedial Math Program
   Chapter Preview
   Introduction
   The Evaluation Context
   The Cast of Characters as the Evaluation Began
   The Evaluation Process
      Initial Decisions/Actions
      Data Collection and Analysis Decisions/Actions
      Data Interpretation and Reporting Decisions/Actions
   Case Study TIPS: Think, Interact, Practice, Situate
   Chapter Review

11. Serving as an Evaluation Coach: Engaging Staff and Participants in Evaluating a Healthy Nutrition Program
   Chapter Preview
   Introduction
   The Evaluation Context
   The Cast of Characters as the Evaluation Began
   The Evaluation Process
      Initial Decisions/Actions
      Data Collection and Analysis Decisions/Actions
      Data Interpretation and Reporting Decisions/Actions
   Case Study TIPS: Think, Interact, Practice, Situate
   Chapter Review
