**PART I: TRADITIONS AND INFLUENCES**

**Chapter 1. Introduction and Overview of the Field**

- Definitions and Illustrative Examples 7
- Background and History 9
- Some Basic Comparisons Between Quantitative and Qualitative Research 12
- Mixed Methods Research Approaches 15
- Ten Critical Elements of Qualitative Research 17
  1. Description, Understanding, and Interpretation of Human Behavior 17
  2. Dynamic 17
  3. No Single Way of Doing Something 18
  4. Inductive Thinking 19
  5. Holistic 19
  6. Variety of Data in Natural Settings 20
  7. Role of the Researcher 21
  8. In-Depth Study 22
  9. Words, Themes, and Writing 22
  10. Nonlinear 23

- Additional Issues 24
  - Objectivity as Fiction 24
  - Critical Role of the Researcher 25
