Friendship quiz

Use the following questions and interview a friend. How are your skills? Are you a good friend?

1. When are you a good friend? How do you feel and what do you think, do and say?

2. What do you think a ‘best friend’ always does?

3. What do you think a ‘best friend’ never does?

4. What three things would you like your friends to know about you?

5. What three qualities would you look for in a friend?

6. What three things make you a good friend?

7. What skills do you think you could develop to be a better friend?

Pair up

Take it in turns to ask each other these questions then compare your answers. What is different and what is similar?

Do you agree?

If so, why?

If not, why?
