There is a comprehensive report about bisexual experiences, biphobia and mental health which can be freely downloaded from the www.biuk.org website, which is also regularly updated with relevant research on bisexuality.

There are two useful books which go into far greater depth about issues faced by bisexual people and counselling different groups of bisexual people:

There is also a chapter on bisexuality and therapy in the third Pink Therapy book, and several relevant chapters in Denborough’s collection on queer counselling:

There is useful information about the diversity of bisexual experiences, and bisexual resources, in:

The following collection is useful on many of the topics in this book and contains more about queer perspectives:

There is useful material, and resources, about bisexuality on the following websites:

www.bisexualindex.org.uk
www.bicommunitynews.co.uk
www.bi.org
