Image Size/Crop:

Digital art files should be cropped to remove non-printing borders. Art should be created or scaled to the size intended for print. Image orientation should be the same as intended for print. For ads that are intended to run off the page, a 1/8" minimum bleed is required on all sides.

Proof Instructions:

- **Color Ads:** An identifiable **SWOP-certified proof** (Specifications Web Offset Publications—www.swop.org) must be supplied with the final digital file. If a SWOP-certified proof is not supplied, then the publisher cannot guarantee correct reproduction of color. Any omissions or color deviation from a submitted proof, other than a SWOP-compliant proof, will not warrant compensation to the advertiser.
- **B&W Ads:** A hard-copy proof the same size as the digital art must be supplied with the final digital file.

File Submission Instructions:

Please supply files on one of the following media: CD-ROM or e-mail. Please include a SWOP-certified proof with your digital submission. If e-mailing artwork, then send the proof in a separate package in the mail.
