Editor: **Tim Bach**

Prosthetics and Orthotics International is the official journal of the International Society for Prosthetics and Orthotics (ISPO)

Prosthetics and Orthotics International is an international, multidisciplinary journal for all professionals who have an interest in the medical, clinical, rehabilitation, technical, educational and research aspects of prosthetics, orthotics and rehabilitation engineering, as well as their related topics. The Journal publishes review articles, experimental and clinical research papers, case studies, technical notes, reports on prosthetics, orthotics and rehabilitation engineering practice, and book reviews. Occasionally special issues on specific themes of interest to the Journal's readership are published. Information about ISPO activities and the outcomes of the ISPO consensus conferences and working groups that are held are also published.

Readership profile: professional groups including medical practitioners, prosthetists and orthotists, rehabilitation engineers, physiotherapists, occupational therapists, clinical psychologists and those involved in nursing, education and engineering

Other Promotional Opportunities

Belly band: A belly band is an advertisement that wraps around the entire journal. This is an exclusive way to place your message front and centre with each reader. Belly bands allow your message to be the very first one seen by the readers.

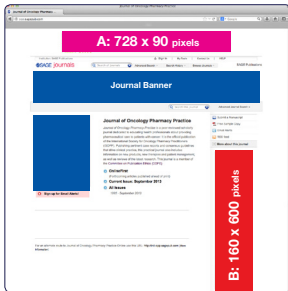

Inserts: Bound inserts, loose inserts, gatefolds, tip-ins and die cuts are

available. A sample must be submitted to the publisher for approval.

Outserts (product samples, brochures): Be the first advertiser to be seen by readers with your promotional item or product sample mailed within the polybag of each issue, outside of the journal. This is an exclusive opportunity— only one advertising outsert is permitted per issue.

Policy and Guidelines

General policy on acceptance of advertising

Cancellations must be submitted in writing and will not be accepted after closing dates for space reservations. Any cancellations after the deadlines will be charged in full.

All advertising is subject to the publisher's and society's approval. The advertiser and/or advertising agency assume liability for all contents of advertising and any claims against the publisher as the result of the advertisement.

If artwork cannot be provided by the above deadlines or an extension approved by the publisher, then the publisher will run the most recent artwork submitted.

If no artwork is on hand, then the advertiser will still be responsible for payment on the space reserved.
