Other Promotional Opportunities

Belly band: A belly band is an advertisement that wraps around the entire journal. This is an exclusive way to place your message front and centre with each reader. Belly bands allow your message to be the very first one seen by the readers.

Inserts: Bound inserts, loose inserts, gatefolds, tip-ins and die cuts are available. A sample must be submitted to the publisher for approval.

Outserts (product samples, brochures): Be the first advertiser to be seen by readers with your promotional item or product sample mailed within the polybag of each issue, outside of the journal. This is an exclusive opportunity—only one advertising outsert is permitted per issue.

Policy and Guidelines

General policy on acceptance of advertising

Cancellations must be submitted in writing and will not be accepted after closing dates for space reservations. Any cancellations after the deadlines will be charged in full.

All advertising is subject to the publisher’s and society’s approval. The advertiser and/or advertising agency assume liability for all contents of advertising and any claims against the publisher as the result of the advertisement.

If artwork cannot be provided by the above deadlines or an extension approved by the publisher, then the publisher will run the most recent artwork submitted.

If no artwork is on hand, then the advertiser will still be responsible for payment on the space reserved.
