Other Promotional Opportunities

**Belly band**: A belly band is an advertisement that wraps around the entire journal. This is an exclusive way to place your message front and centre with each reader. Belly bands allow your message to be the very first one seen by the readers.

**Inserts**: Bound inserts, loose inserts, gatefolds, tip-ins and die cuts are available. A sample must be submitted to the publisher for approval.

**Outserts (product samples, brochures)**: Be the first advertiser to be seen by readers with your promotional item or product sample mailed within the polybag of each issue, outside of the journal. This is an exclusive opportunity—only one advertising outsert is permitted per issue.
