

Advertising Rates & Specifications 2018

Through our comprehensive marketing strategy, we continually and successfully maintain highly specialized, international readerships that include physicians, nurses, scientists, scholars, researchers, policy makers, practitioners, professionals and students.

You can be confident that an advert for your products and services, placed in a SAGE journal, will reach a receptive target audience, thereby finding you new customers, new sources of revenue and new markets.

For more information on any of our journals please visit our website
