Welcome...

The SAGE Rights Team is pleased to present our Translation Rights catalog for 2014-2015. Within the catalog you’ll find a selection of forthcoming titles, bestsellers, and some favorites representing the wide variety of disciplines in which SAGE publishes. Also included are titles from Corwin Press and CQ Press.

In an effort to provide the most complete information, this catalog includes listings of previous editions’ translation sales. This catalog represents a small selection of our lists so we invite you to visit our websites for more titles. Our websites can be found at: www.sagepub.com; www.corwin.com and www.cqpress.com.

Though some rights information can be found within the catalog, please contact us directly to confirm the availability of rights in your language and to request review copies. Please note that we will only process rights requests that come from publishing companies or agencies.

We would like to take this opportunity to thank you for your strong support and interest in our titles and we hope that you will find this catalog useful.

We look forward to working with you and to another successful year!

The Rights Team

THE RIGHT DRIVERS IN ACTION
Making All Systems Go

Michael Fullan *Michael Fullan Enterprises Inc* and Joanne Quinn

This book uses the concepts of ‘right’ and ‘wrong’ policy drivers to identify the policies and strategies that have low and high yield. Key actions and evidence are identified based on case examples which capture both the micro (school level/district levels), and the macro levels (regions, states). The end result is a clear picture of what puts the right drivers into action to get maximum results for student learning and achievement.

April 2015
Paper (978-1-4833-6495-7)

---

AMERICAN POLITICS FROM A COMPARATIVE PERSPECTIVE

Lori M Poloni-Staudinger Northern Arizona University and Michael R Wolf Indiana University-Purdue University at Fort Wayne

Americans strongly believe in the idea that our democracy is unique—is an exception, in fact, among other advanced industrialized democracies. But exactly how and why is our political system different? If we examine components of our political system comparatively, we can better see and learn the ways in which our government is unique as well as see how other democracies function differently and successfully.

January 2015 • 180 pages
Paper (978-1-4833-4435-5)
